

# High Speed Rail

Willow Glen Neighborhood Association presents

A Look into the Future

## What's Happening -- When -- and Why

**Wednesday evening, January 19, 2011**

Willow Glen High School - Micky Long Center - 7 to 9 PM  
2011 Cottle Lane between Curtner Ave. and Pine Avenues

### Guest Speakers:

**Rod Diridon Sr.** Former Chair, and Senior member California High Speed Rail Board of Directors;  
Executive Director, Mineta Transportation Institute San Jose State University

**Henry Servin Jr. P.E.** San Jose Department of Transportation, Senior Transportation Engineer.

---

**Over 4 decades of proven service, safety and value -- 30+ HSR lines in  
use throughout the industrialized world -- 30 more under construction  
10,000+ miles of track in China by 2020**

**In the U.S. ?**

**In California ?**

---

**It's no longer a question of shall it be done; the voters have spoken.**

**Now the real work; the planning, the funding, the building.**

**From Concept... to shovels in the ground... to riding the train.**

**How will it be done... what will it look like... when will it happen.**

**Come have a look. PUBLIC INVITED**
